

GLYSANTIN® G64®

GLYSANTIN® G64® is a premium grade-coolant employing robust organic acid technology fortified with silicate and phosphate. GLYSANTIN® G64® is a coolant that offers excellent protection from corrosion and long life performance even under the highest thermal loadings of modern engines. Additionally, GLYSANTIN® G64® provides excellent protection against cavitation for heavy duty vehicles.

GLYSANTIN® G64® is colored green.
